***The Mighty Meat Snack  
conquers  
The Horrible Hungries.***

You've tangled with the Hungries before. They sneak up behind you at the library, and make your stomach growl until your face turns red. They strike when you're halfway home from school, at least ten minutes from the nearest sandwich.

If you want to be ready, next time the Hungries come around, try taking along your pocket-size secret weapon.

**Slim Jim.<sup>®</sup>** The mighty meat snack you can carry anywhere, and eat anytime. In six Hungries-conquering flavors - mild, spicy, pizza, bacon, salami, and pepperoni.

So pick up Slim Jim the next time you stop by the grocery store.

If you don't, and the Hungries get you, don't say we didn't warn you.

***A little less than a meal.  
A little more than a snack.***

# YOU'LL LIKE LOCKSMITHING!

**you learn fast... you profit fast!**

## ELECTRIC KEY MACHINE

Learn at home in spare time with the fine home study course of the original, accredited LOCKSMITHING INSTITUTE. It's practical training. You learn by doing real jobs on all kinds of locks, working with the tools and equipment that come with the course. Every step is spelled out for you, clearly diagrammed...easy and quick to learn.

**START MAKING MONEY IN JUST A FEW WEEKS!** After the first few lessons, you'll know how to do simple jobs for pay. Do small installations, make duplicate keys, change locks. Many students report spare time earnings, even while learning, that

add up to several hundred dollars extra income, just a sample of what's ahead!

**BE A MASTER LOCKSMITH IN 6 MONTHS!** Upon completion of the course, you receive the Accredited Diploma that certifies you as a Master Locksmith, qualified to do highly professional work, either as an employee or running your own lock shop. What a hedge this gives you against unemployment, inflation, strikes or layoffs! How great to have for extra income when you retire!

**CASH IN ON THE URGENT, GROWING DEMAND!** Locksmithing work has zoomed in these days of increased crime and vio-

lence. Everyone wants a locksmith...for homes, apartment buildings, cars, bikes, hospitals, vending machines, banks, businesses...wherever security is essential. As a Master Locksmith, with the professional know-how to do major installations as well as simple jobs, you will find your time well paid for...and interesting, too.

LOCKSMITHING INSTITUTE does not guarantee how much you'll make or be hired to do...but we do guarantee that our graduates are Master Locksmiths, qualified professionals. It's been that way since 1948. And that's a guarantee all by itself, isn't it?

## WE LEARNED IT AND WE LIKE IT!

"After completing a few lessons, I started doing small jobs...earned \$500 spare time. Now earning \$100 extra per week."  
E. E. Neel, Houston, Tex.

"Wish I'd taken the Locksmithing course much sooner. Earned \$380 while training! Instructor was very helpful and prompt."

"My main motivation was independence. Earned \$500 part-time while still studying. Definitely see more potential earnings."  
Gerald Sosontovich, Pte. Claire, Que.

"Intended to make locksmithing a hobby. Turned out to be a source of extra income. Earned \$300 part-time while training."

# YABBERINGS AND YEDDINGS FROM YEOMAN YARNSPINNERS TO YOU!

## STAN LEE'S SOAPBOX

Don'tcha hate people who return from a trip, grab your arm, and shout, "Hey! Let me tell you all about my trip!"? Well, now I know why they do it, because I feel like doing it, too. I just got back from a fast visit to England and Scotland on behalf of ol' Marvel, and I'm bustin' to tell you all about it. As you probably know, we publish some weekly versions of our titles 'way over there in our London office. As a matter of fact, in just a few short years, we've become the third largest comics producer in Britain. And until recently, they'd all been reprints of our own American strips, such as SPIDER-MAN, the F.F., HULK, etc. Well, a few months ago, we decided to try something really far-out. We wanted to do a special book just for our British buddies—a book that would feature their own exclusive super-hero. The name we dreamed up was a natural: CAPTAIN BRITAIN! Anyway, to make a short story shorter, it was introduced early in October, and that's when I went overseas on a whirlwind promotion tour to talk up Cap Britain in particular and Mighty Marvel in general. I wish you could'a been with me as I visited Edinburgh, Glasgow, Leeds, Newcastle, and London. Everywhere I went, I heard enthusiastic readers asking for more, more, more of our spunky little super-heroes! No kidding, I'll ever you get over to England, just introduce yourself to 'most anyone as a practicin' Marvelite, and you'll probably get the keys to the

city! One of these days, we'll try to reprint some CAPTAIN BRITAIN yarns here in the USA, but till then you'll have to be satisfied with Howard the Duck wearing a bowler! By the way, no sooner did I return from my wife's halcyon homeland, than I had to hit the college lecture circuit again. In fact, as I sit penning these weighty and wondrous words, I've just returned from a cultural expedition to good ol' Northern Illinois University where I was Grand Marshal of their Homecoming Day Parade. (Jonah Jameson was too busy and they hadda get *someone*!) And I'm now about to pack for next week's trip to SUNY at Buffalo; University of New Mexico at Albuquerque; and Orange Coast College in Costa Mesa, California. Yep, like I always say, by the time I'm finished if Marvel Comics isn't required reading for every college curriculum, it won't be our fault! But now, it's time to pack some extra web fluid, uru paste, and throat spray; so I'll leave you with a fabulous little phrase I picked up in Newcastle—and, for once, I'll tell you what it means. (Hope I spell it right!) "Ceud mile failte!" It means "A hundred thousand welcomes!", and we'll award a giant-size no-prize to the first reader who can tell us how to pronounce it. Remember, it's Gaelic! But here's something everyone knows how to pronounce—

Excelsior!

*Stan*

ITEM! The leaves of Autumn may have long fallen. The chill winds of Winter may now be briskly blowing. But for a few hours the other evening in Manhattan's Autopub restaurant, it was Summer again. Why? Because about two dozen bubbling Bullpeniers gathered there over baked shrimp and sangria to celebrate the joys and sorrows, the highs and lows, of the 1976 softball season. And though Marvel's mean machine ultimately placed second rather than first in the Publisher's Softball League, you'd never have guessed it from the decibel level of the merrymaking at this first of what promises to be an annual banquet. Many toasts were made and each and every player was singled out for an appropriate award, such as the "longest, most grotesque head-first slide" award to Production Potentate LENNY GROW, the "only player to wear his baseball cap all year" award to Happy HERB TRIMPE, and the "cleanest T-shirt" award to Sturdy STU SCHWARTZBERG. The "Wonderful Person" award went to Mirthful MARIE SEVERIN. Probably there's absolutely no connection between her receiving this particular award and the fact that she's the one who made up all the award certificates. But if most of the presentations were something less than rock bottom serious, the last two of the evening were not, as dual trophies were given to the team's co-captains,

Impish IRENE VARTANOFF and Diamond JIM NOVAK, along with a standing ovation (at least from those not too weighted down with shrimp and sangria) and many cries of "Wait'll next year!" It was a perfect caper to a sensational season and proof that the Bullpen can successfully collaborate on something other than comics. A special note of thanks should go to 'Nuff Said NELSON YOMTOV for arranging and stage-managing the whole banquet with the same style, expertise, and flair that he brought to playing third base (and this has been the *only* season where we could say that and still have it be a compliment!).

ITEM! If you're into perusing our monumental masthead (that little box of names and titles residing at the bottom of this page), then you've probably noticed a change or two. Like, for instance, where once Sparkling SCOTT EDELMAN's name was emblazoned as an Assistant Editor, now Energetic ED HANNIGAN is listed. After several years of superior service as a Marvel staffer, Scotty has opted for the free and easy freelancing life, and Ed, hitherto best known perhaps for his painstaking pencilling of KULL THE DESTROYER, was picked to fill the vacancy, having in the past revealed a flair for the ways of words and plotting as well as his very definite drawing ability. Naturally, we're not

about to let Mr. Edelman just slip off into oblivion. He'll continue as scriptioner for CAPTAIN MARVEL as well as some special short features that will be appearing in our awesome Annuals. And we couldn't let Scott depart without revealing that he is the one who has handled the titanic task of coming up with a new alliterative headline for this column using a different letter of the alphabet each month (and if you think that's easy, check out what's available under X or Q sometime). In fact, the only way Editor ARCHIE GOODWIN would agree to unshackle the sparkling one from his desk was if he first finished headlines all the way through Z! So good luck, Scott, and thanks for everything... particularly increasing our word power!

ITEM! Another change on the masthead is the addition of STEVE "Baby" GERBER to our ranks of Consulting Editors. Beginning with issue #9 of HOWARD THE DUCK, Steve took on responsibility for editing the fighting fowl's adventures as well as writing them. Mr. G will also be writer/editor of one of the most unique and exciting Marvel projects since Spider-Man met a certain leaper over tall buildings in a single bound, namely a giant-size comic featuring the adventures of that wildest of all rock groups, KISS. This one has been in the talking stages for some time now—you may have heard rumors about it through fan channels—but now it's finally and officially underway. So, we'll be filling you in on all the devastating details just as fast as Steve finalizes and feeds them to us. Stick close, the wonderment's just getting started!

ITEM! As long as we're handing out hints on what's just over the horizon, we may as well tantalize you with the fact that we've just signed a contract to do a continuing series about one of the biggest movie stars of them all. Who? Well, we'll reveal that next month, but meantime, here's a last clue that ought to make guessing easy: He's green and mean, and leaves an imprint on the scene!

ITEM! With all the new projects in the works (and we haven't even started to unveil all them for you), it's sad but inevitable that other titles would have to be discontinued to make room. Hence, over the last half year or so, we've had to cancel a few books. Whenever possible, we try to make certain that this falls at the end of a storyline. But often, there's just no way to end the series in time. Like those of you who write in to complain when this happens, we don't like it either. And we are trying to do something about it. Hence, though DEATHLOK has disappeared from his own series, you can see a tying of many plot threads in both MARVEL SPOTLIGHT #33 and in MARVEL TWO-IN-ONE #27, where the bionic man-stalker meets bashful Ben Grimm. As the proper opportunities present themselves, we'll be attempting to wrap up many of the loose strands in Marvel's master design as we have with Deathlok. So, take heart, friends. We love all our caworting characters—great and small—way too much to leave any of them hanging forever!
